## GLEE CLUB WINS FIRST IN FESTIVAL

The Grayling High Glee Club was awarded A-1 by each of the three judges at the District Festival of Glee Clubs held in Rose City Thursday, April 12, at the Rose City High School. This is the highest grade given, and only one other school of the 13 competing, Alpena Catholic Central, received a similar rating.

The Glee Club, under the direction of Mrs. Roy Mines, presented two numbers: "Flower of Dreams," and "Verdant Meadows."

Following is a list of the girls and boys who took part in the festival: Mary Ann Cinciala, Peggy Benware, Julie Hunter, Miriam Vincent, Glad Jensen, Kay Ann Stephan, Connie LaGrow, Kay Ellen Pettengill, Karen Rasmussen, Frances Cady, JoAnn Cinciala, Dianne Bassett, Alicia Hausman, Christine Canfield, Mary Brown, Mary Ann Underwood, Kathy Thompson, Karen SanCarter.

Carol Fenton, Bonnie Meaker, Caroline Alkew, Paul McKell, Ann Marie Stanell, Nancy Wilcox, Judy Sorenson, Claudette Long, Elaine Goss, Beth Koerber, Deanne Herrick, Mickey Miksell, Ilene Horning, Barbara Fenton, Marilyn Burick, Kay Parkinson, Evelyn Johnson, Ann Stampf, Kathy Ewell, Helen Balch, Arlene Smith, Mary Ann Engel, Linda Smock, Joan Traller, Jean Holcamp, Elaine Rochette, Susan Bidvia, Elia Mae Cook, Karen Carlson, Judy Kenyon, Peggy LaGrow, Connie Davis, Mary Richardson, Vivian Fenton, Mary Jane Wakeley, Judy Weaver, Constance Owens, Connie Mathews, Penny Green, Georgia Lucksted, Betty Horning, Tom Little, Chuck Snyder, Charles Garland, Don Campbell, Ron Kellogg and Steve Smith.

Five private cars, besides a school bus driven by Amos Hostli, transported the students to Rose City and back. They were driven by Mrs. Elmer Rasmussen, Mrs. Charles Carlson, Mrs. Art Goodrich, Mrs. Glen Fenton, and Miss Sue LaGrow.

## Home Extension News

On April 12, 18 members of the County Home Extension Groups set out on a mystery tour of Grayling. Mrs. Frank May had made crepe paper rosebuds for each member to wear in their lapel.

The morning tour took in the Bear Archery Company's plant. Thanks are extended to Vic Shaffer and Sandy Thompson for their conducting of the tour and thorough explanation of the making of archery equipment to each one's understanding.

A delicious luncheon with excellent service at the Grayling Restaurant provided a break in the day's program. This was followed by a tour of the Grayling Bottling Company's plant in the afternoon, which was conducted by Mrs. Harold Walker. Thanks to Mrs. Walker also for her complete explanation of the pressing and distribution of pop.

At the close of the tour Mrs. Earl Broadbent presented each member with a lollipop. In spite of the weather, spirits were not too much dampened, and all returned home feeling the day had added interest and information.

## CARD OF THANKS

We wish to thank our neighbors and friends who were so kind to us in our recent loss. Also Rev. Knudsen for his kindness.

## State Politicians Seeking To Harvest Bumper Crop Of Votes For Election

"Harvest Season" is almost here for politicians, and they are eagerly examining the crop of voters. Democrats are embarked upon a series of "reports to the people" starring Gov. G. Mennen Williams and the five office holders who moved into top state administrative positions 18 months ago. This party is touring the state for a face to face meeting with its many people. While the "report" may have much value to the citizens in general, there can be little doubt that it can have substantial political value to the Democratic party.

Lack of a gubernatorial candidate who can inspire enthusiasm in the GOP has been a matter of prime concern for Republicans. But leaders are not sitting on their hands until they select their man.

They are making things unpleasant, to say the least, for the GOP by emphasizing embitterment charges involving his branch managers, and for Attorney General Thomas M. Kavanagh by underlining his difficulties with traffic regulations.

Democrats will make liberal use of their record since they took control of the state administrative board, and during the four terms of Gov. Williams. They will attack Republican legislators for not coming up with money and laws requested by the Governor, especially in fields of mental health and education.

"A look at the record" will be the defense of Republicans. They will talk of what they did accomplish in these fields; claiming that laws they supported and money they helped appropriate will handle the problems, and without running the state's treasury in the red.

Republican leaders might total the list of appropriations requested by the Governor and show how far the state would be in the hole if the Legislature had acted according to his lead.

A spirited battle can be expected as this campaign gets underway. The prize is high for either party. The loss for either is serious.

Michigan judges have been asked to crack down on bad drivers with stiff fines. The associations of municipal judges and justices of the peace already have adopted an "advisory" schedule of uniform fines—\$1 a mile over the limit for the first five miles, \$2 a mile for the second five and \$3 a mile for the third five miles of speeding.

A conference of judges and law enforcement officials at East Lansing heard Secretary of State Hare say that the speed limits and other safety laws are "merely tools."

He said the final answer to high way safety lies with educating the driver and "changing his attitude." "Until we can do that, we're in trouble," he said.

Vacations will be big business in Michigan again this summer. The tall steel work of the Mackinac Straits bridge already is drawing sightseers to Michigan, the harbinger of what to expect when the bridge linking the peninsulas is completed in 1957.

Resort owners are beginning to build on either sides of the straits, to be ready to serve the vacationing public — now and when the bridge is completed.

Michigan residents are considered to be the best advertisement for the state's resort areas. Last year 9,000,000 people spent their vacations in Michigan, 4,000,000 of them state residents and 5,000,000 of them from other states — and nations.

Fishing for walleyes, northern, blue gills, pan fish and trout starts April 23 and bass season opens June 16.

Michigan Week will be highlighted May 21 with the annual exchange of mayors.

This is the custom of sending the chief executives of the state's participating cities and villages to other city halls for the day — to see how the other fellow operates.

## Add Five Men To Fish Hatchery Crew

Earl Nelson, Bernard A. Bromwell, Howard L. Bunker and Terence Nielson have returned to their work at the Grayling Fish Hatchery according to Conservation Department Director Gerald Eddy.

Nelson has been with the department since 1948. Bromwell since 1953 and this is his second season for Bunker and Nielson. New employee is Harold L. Eddy, of 602 Cedar St., according to Eddy.

Each spring, "chickadee" and "bluebird" are important at the fisheries station.

## st Tell The Truth...

Italian-born Dr. Massimo Salvadori, now a teacher at Smith College, is a man who literally lives the life of a famous overnight.

This unusual event happened when Pres. Eisenhower praised in the highest terms a lecture Dr. Salvadori had delivered before the Foreign Service Institute. The lecture offered concrete suggestions for combating the problems of the country which are frequently heard. It contained, in the President's words, "some of the best ideas I have seen." Immediately thereafter Dr. Salvadori was flooded with requests for more lectures, articles, and television appearances.

Basically, Dr. Salvadori's thought is that we should let the criticism simply by telling the truth. For example, it is commonly said—and in this country as well as elsewhere—that U. S. corporations earn indefensibly large profits at the expense of the public at large. Dr. Salvadori urged dissemination of the fact that "many of our corporations...do not make more than one or two percent profit on each dollar's worth of goods sold."

This fact may come as news—almost unbelievable—to many good Americans. But there are examples of it at hand everywhere. An outstanding one is the fact that a net profit of around one cent on each dollar of sales is the common experience of food chains. The profit is only moderately higher in the case of other lines of retailers. All the rest of the consumer's dollars go right out again—for supplies, for wages, for rents, taxes, and for other expenses.

More power to Dr. Salvadori's ideas!

## Interesting Events In Grayling 23 Years Ago

INTERESTING ITEMS OF NEWS GATHERED FROM THE  
FILES OF THE AVANCE OF 23 YEARS AGO

April 27, 1933

It's the talk of the town, the interest and enthusiasm that is being manifest by nearly every citizen in making our streets look as clean and attractive as possible this summer. Everyone is being very generous in giving his time, talent and labor in making Grayling a beauty spot this season. Work has already been started on the Public Park, and Mr. Harold Cliff is overseeing the planting of trees along the highway.

"Plant a Pine Tree" will be a slogan for Grayling this spring. Fourteen hundred small pine trees were given away at the Garden Exchange Wednesday afternoon. It is hoped that at least one of these trees will be planted in each yard. The Civic Improvement League has grown almost overnight into a large, active organization. The League has over 120 names of members at present.

Mrs. Roy Milnes and Mrs. R. R. Burns were hostesses at a very attractive bridge party Thursday afternoon at the home of Mrs. Milnes. The affair was given to compliment Mrs. Emil Giegling, who left Saturday to spend the summer with Mr. Giegling at Marquette. Twenty ladies were present while four tables were filled for bridge. Prizes were received by the guest of honor and Mrs. Holger Peterson for the high score.

Basketball had a revival last Friday night as a fairly small crowd witnessed a Lumberjack triumph over the Grayling high school seniors. All those athletes whose competition concludes this June. The score was 36-21. The object was to obtain awards for the boys who wind up their careers under the green and white. Neal, H. LaGrow, May, Hendrickson, R. Harrison, Brady and Korhonen comprised the Lumberjacks, while J. LaGrow, Godwin, SanCarter, Marshall, Winterlee, B. LaGrow, Sheehy and Knibbs played on the seniors team.

Mr. and Mrs. Fred Catlin of Toledo were pleasant guests over the weekend of the latter's parents, Mr. and Mrs. Paul Ziebell. The Tittabawassee River in Midland county rose 13 feet above normal flow because of recent heavy rains, holding up traffic on

the highways, which were flooded.

Some fifty people enjoyed the card party at Shoppenagons Inn Thursday evening, given by St. Mary's Altar society. Various games were played with prizes of cakes awarded as follows: Bridge, Mrs. Robert Reagan; 500, Mrs. Henry Bousson; pinocle, Richard Lovely. Lunch was served. The affair netted a neat sum for the society, all of which is very much appreciated.

Mrs. D. W. Horning of Detroit visited Mr. and Mrs. Harold Cliff over the weekend. Mr. and Mrs. R. R. Burns, Mr. and Mrs. T. P. Peterson, Mr. and Mrs. Fred R. Welsh and Mr. and Mrs. Roy O. Milnes entertained at a potluck supper at the Burns home Sunday evening to honor Mr. and Mrs. Emil Giegling.

Editor and Mrs. Oscar Schumann and the latter's Mary spent last weekend in Grand Rapids at the home of Mrs. Schumann's sister, Mrs. Gordon R. DuBois, and at the home of their daughter, Mrs. A. K. Smith, Spring Lake. Lawrence McDonald spent Friday and Saturday at the Soo, where he made application for enlistment in the regular army.

Yesterday's cold weather brought snow flurries in the morning and again in the evening. Although it didn't last the cold has remained.

Dr. and Mrs. C. G. Clippert spent Wednesday in Bay City where Dr. Clippert attended a meeting and banquet of the Bay County Medical society.

Mr. and Mrs. Amos Hunter, Mrs. Ernest Borchers, and Mrs. August Engel and daughter Virginia spent the weekend in Lansing, guests of Mr. and Mrs. George Granger. Mrs. Alfred Hanson and Miss Marie Brown spent Monday in Bay City visiting the former's brother and family. Mr. and Mrs. Guy Peterson and children while Mr. Hanson was in Flint on business.

Oscar Hanson and Esbern Hanson left Wednesday for Sunrise, Minn., on the Ausable to be on hand for the trout fishing season.

Mrs. Herluf Sorenson, daughter, Elina May, Misses Martha and Louise Sorenson and Miss Helen Worthington spent Saturday in Bay City.

Mrs. T. P. Peterson is attending the Northeastern district of State Federation of Women's Clubs in Mt. Pleasant today and tomorrow as delegate from the Grayling Women's Club. She was accompanied by Mrs. R. R. Burns, Miss Ingeborg Hanson and Mrs. Esbern Olson.

The Grayling Laundry feel very fortunate and are high in their praise of the Grayling fire department for their good work last Friday afternoon when the roof of the laundry building was discovered on fire. It was caused from sparks from the chimney that alighted on the roof. It was a windy day and some serious damage might have resulted if it had not been for the fast work of the firemen.

With all his faults you don't have to pour hot water on a horse to make him start—Exchange.

Mrs. A. S. Burrows and daughter Wilma, Miss Dorothy Roberts and Wesley LaGrow spent last Thursday in Saginaw.

Mrs. Helen B. Rottier and son Ralph returned to their home in Detroit Saturday after having spent the past week visiting the former's sister, Miss Margrethe Bauman.

Miss Frances Michelson of Mason, and Miss Hazel Gordon of Royal Oak returned to their homes Saturday after having spent the week at the Michelson summer home at Lake Margrethe.

Mr. and Mrs. Corsaut and family of Frederic visited their daughter, Mr. and Mrs. Harry Souders last Tuesday and they all celebrated Mrs. Corsaut's birthday.

Mrs. A. J. Joseph and Mary Jane returned from Detroit Thursday evening after spending several days there visiting relatives.

A new spring showing in mesh cloth, punched kid and buck. Ties, oxfords and pumps, \$2.50, \$2.95 \$3.50. Grayling Mercantile Co.

Next week the Roscommon chapter of the O.E.S. will hold installation of officers, at which Mrs. William McNeven of Mackinac, formerly of Grayling, will act as installing officer.

T. W. Hanson is planting 200 more trees along the "Boulevard" which will reach from the mill plant to the cemetery. Of 200 planted last year only one was lost, and the clover seeding along the sides of the road is coming on finely. It will be the popular drive from the village around their lumber plant and past the chemical plant, on the other side of the railroad.

Superintendent Whitney reports the present school enrollment to be about 430. High school enrolled 145. Tony Nelson tried to walk on the water while on one of the school's physical geography trips, but it proved a failure and he found the water to be quite wet. Youngsters who are given peculiar stunts, but for real foolishness, leave that to a six-foot freshman.

T. E. Douglas is adding more furniture to his office. Tuesday he received a large safe.

The Forest Farm Co. are setting out about 15,000 forest trees daily. At the present they have 22 men, a few of them are fitting the land on section 24 for the fruit trees, which have arrived. Foreman Red Bloom understands fitting the land and the company

is very fortunate in securing him. E. S. Houghton was doing business at the county seat Monday. Messrs. D. and Ray Shick of Postoria, Ohio, arrived Tuesday and have taken up their abode on section 22 where they expect to build a home.

### Scout District Committee Holds Annual Meeting

The Annual Meeting of the Northland District Committee, Paul Bunyan Council, Boy Scouts of America, was held last Wednesday evening at the West Branch High School. Forty-six Representatives from five counties enjoyed a pot-luck dinner, listened to reports of the progress and activities of the past year and elected a slate of officers for the new year.

Returned to office as District Chairman was William D. Lyon, East Tawas. Elected as Vice Chairman were Arthur Cronin, Roscommon; Glenn Bedell, Ros City. Representatives from the district to the Paul Bunyan Council Executive Board will be Stuart Scott, West Branch, and Merle E. Hooper, Higgins Lake.

Members-at-large on the District Committee will be Wayne Hall, Houghton Lake; Austin Savin, Tawas City; Sheldon Buck, West Branch; Donald Dow, Sr., Roscommon; Joseph F. Babcock, Roscommon; Arthur Crawford, West Branch; Walter Richmond, Roscommon; Walter Thoms, Oshtemo; Roland Vorty, Higgins Lake; James Hill, Prudenville; A. Clair Mutch, Sterling; George Lodge, Frederic and Frank Cherven, Roscommon.

Featured at the meeting was a

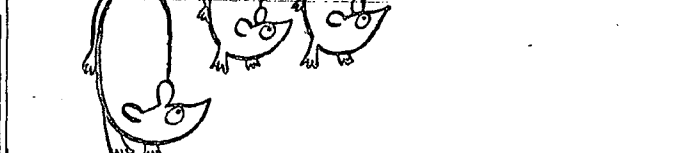

motion picture, "They Also Serve" depicting in an entertainment manner, the workings of the District Committee. Special guests for the evening were Paul Bunyan's Council President, Ralph F. Prescott; Chairman of Camping

and Activities Committee, Willard Perry and wife, and Scout Executive, Arthur E. Henry and his wife, all of Midland. Next meeting of the District Committee will be at the Frederic Town Hall, May 9th.

Makes Friends  
with the Meanest Roads  
(Have you tried Buick's great new ride?)

THE SWEET WAY a '56 Buick rides on all sorts of roads. It is something you find nowhere else on wheels. Capricious roads that twist and turn—unruly roads that rock and roll—tired roads, battered and beaten—they all seem to wear company manners the moment a Buick approaches.

Why? Simply because Buick comes with what it takes to put any road on its best behavior—the completely ride-engineered combination of chassis, engine and automatic drive that is obtainable in no other car.

And that's gospel truth whether you drive a new SPECIAL, CENTURY, SUPER or ROADMASTER.

No other car matches the firm, true tracking of Buick's own ride foundation—buttressed by brawny X-braced frame and torque-tube drive—cushioned on coil springs and deep-oil shock absorbers.

No other has such width of tread and length of wheelbase within dimensions so trim and tidy that Buicks turn, park and garage more easily than smaller cars.

No other duplicates the assurance of steering, brakes and rear axle so precisely geared and gaited for the nimble handling that's a safety "must" in modern cars.

And certainly no other nameplate promises the soaring sweep of power that wells from the big 322-cubic-inch V8 beneath every new Buick bonnet.

Nor does any other automatic drive put power to its car's rear wheels with the swift, unruffled pace of Variable Pitch Dynaflo®—and that goes double every time you "switch pitch" for whip-quick, safer passing.

But why stop to count reasons—when results are what you're after? Wouldn't you rather really feel Buick's new "sense of direction" on straightaways, curves and corners? Wouldn't you rather relax in supreme comfort while tooling this powerful performer over roads you always hated to travel? Well, sir, we cordially invite you to drop in on us and do just that.

Make it this week, won't you? Sample the ride that has charms to win any old road—and get first-hand figures on prices that make Buick owning a more positive pleasure.

\*New Advanced Variable Pitch Dynaflo is the only Dynaflo Buick builds today. It is standard on Roadmaster, Super and Century—optional at modest extra cost on the Special.

## BROWNIE SCOUTS

The Brownie Scouts were brought to order Tuesday, April 17, by president Linda Palmer. They sang "Brownie Smile," said

their prayer in unison, and answered roll call with a Brownie Quiz. There was also special singing of "Let the Sun Shine In" and "God Answers Prayer." Martha Palmer and Mary B. Lodge assisted at this meeting. Beverly Demones and Sandy Heska were new girls in the troop. We then had three tables of cookies. All the girls were seated on the floor and enjoyed a bag lunch which they brought. Mrs. Brown, then treated with a punch drink.

## CARD OF THANKS

Words cannot express our appreciation to our friends and neighbors for the many ways in which they have shown their sympathy and kindness in our time of sorrow.

The family and relatives of Mrs. Nancy Batterson.

## WHAT WE TEACH AND HOW WE TEACH IT

On Friday, April 13, most of the schools of Northern Michigan were closed. There were no classes for the pupils but the teachers were up early and on their way to Traverse City to join hands with five other groups who were holding a three day convention. The Michigan Rural Teachers Association, the Michigan Congress of Parents and Teachers, the Adult Education Association of Michigan, the Michigan Association of School Boards and the Michigan Association of County Administrators began the meeting at the Park Plaza Hotel Thursday afternoon.

Friday morning the groups met in the Traverse City High School Auditorium. The meeting was presided over by Mr. Woodward Smith of Central Michigan College and President of the M.R.T.A. The key note address was given by Dr. Eugene B. Elliott, President Michigan State Normal College.

Most interesting to me was the afternoon program in which some 1500 educational and lay people were divided into 36 discussion and demonstration groups. I chose the group meeting on Adult Education and found about twenty-five people there.

The meeting brought out that adult education was becoming a part of the High School program just as the High School was at one time added to the elementary program. It is, at present, about 20% state-financed with 80% the cost coming from the local school district in the form of taxes or fees. Larger school districts are able to finance it and have enough population to make it a regular part of their program.

It is interesting to note that only 1% of the white people and 10% of the colored in this country are illiterate or can neither read nor write. This compares to as high as 90% in some countries. The high percentage of people in the United States who can read and write is due largely to the American Principle of Free Public Education.

Eighty-five years ago in Kalamazoo, Mich., Harry Souders, guests of the club who were Mary Farrar, Mrs. Willard Cornell, and Mrs. Gail Davenport.

Pat Cox, son of Mr. and Mrs. Grover Cox, is recovering from German measles.

Mr. and Mrs. Floyd Cole entertained Mrs. Ernest Richardson of West Branch, week before last.

Mr. and Mrs. Charles Avery have moved to Grayling after living in Detroit for about 3 years. They bring with them a brand new son, William Joseph, who was born April 10th, weighing 9 lbs.

Mr. and Mrs. Glen Day returned last weekend from Hollywood, Fla., where they had spent the winter. Mrs. Day followed her husband by a few days having spent the time with their daughter, Mr. and Mrs. John Dibble in Hollywood. John Dibble, Jr., 3, is happy to welcome a new baby sister, Sue Ann, who arrived April 7th. The little lady weighed 7 lbs. 3 oz.

MISCELLANEOUS SHOWER

HONORS BRIDE

A miscellaneous bridal shower honoring Mrs. Peter Stephan was given by Mrs. Jack Church, Mrs. Ed Lowrie, and Mrs. Henry Stephan at the Herbert Stephan home last Thursday night. About thirty ladies attended the shower.

The bride's gifts were arranged on a buffet which had been placed before a large window. The curtains were drawn, and yellow streamers pinned with pink, yellow and red tulips, ran from a big bow centered at the curtain top to each end of the buffet.

The luncheon was buffet style, with a bouquet of mixed flowers flanked by white candles centering the table. Potato salad, relishes, crackers, coffee and daintily decorated cupcakes were served. Mrs. Lacey Stephan, Mrs. Ernest Larson, Mrs. Earl Broadbent and Mrs. Earl Matheson were prizes at the games which made up the evening's entertainment. The bride received many lovely and useful gifts.

## It's usable horsepower that counts!

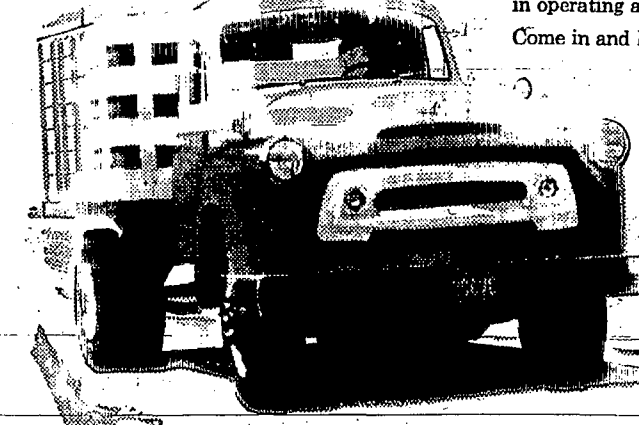

Rated horsepower figures don't tell the whole story of truck performance!

Many passenger-car-type engines have to strain at the job of developing power to pull a normal load. They have to "give it all they've got" to move their loads and keep them rolling, cost big money in wear, repair and shortened life.

INTERNATIONAL Truck engines—built for trucks—turn at relatively low rpm—deliver high usable power at normal road speeds. They are part of the all-truck engineering that asks no passenger car component to do a truck job—part of the thinking that builds trucks stronger, to last longer... save you the BIG money in operating and maintenance costs.

Come in and let us give you all the facts!

All-Truck Power Plus Today's Most Modern Truck Features

- Functional, practical, money-saving styling
- Famous driver-designed Comfo-Vision cab
- Power steering, power brakes available for most models
- Automatic transmission optional on many models

STATE LAND SALE

NOTICE IS HEREBY GIVEN  
That pursuant to the provisions of  
Section 131 of Act 206, P. A.  
1895, as amended, state lands in  
Crawford County will be placed  
on the market by offering same  
for sale at public auction, Thurs-  
day, May 24, 1956, at 10 o'clock  
in the forenoon, Eastern Standard  
Time, in the county courthouse,  
Bellaire, Michigan.

Pursuant to statutes, deeds con-  
veying lands so offered will re-  
serve the following to the State of  
Michigan: all rights to minerals,  
coal, oil, gas, sand, gravel, marl,  
etc.; rights of ingress and egress  
over and across lands lying along  
any watercourse, stream, all  
rights to aboriginal antiquities,  
mounds, earthworks, etc.

Pursuant to Section 6, Act 155,  
P. A. 1937, as amended, any per-  
son (former owner) who at the  
time of the sale had an interest  
in lands so sold, shall have the  
right for a period of thirty days  
after the public auction to meet  
the highest bidder at the sale will  
receive a thirty-day purchase cer-  
tificate. If the former owner does  
not redeem, deed will be issued to  
highest bidder at the expiration  
of thirty days, or in the event the  
former owner does redeem, the  
high bidder will receive a refund  
of the purchase price. Former  
owners, under the provisions of  
this sale, do not acquire mineral  
rights.

The right is reserved to reject  
any or all bids.  
Further particulars and list of  
property to be offered are avail-  
able at the County Treasurer's  
office at Grayling, Michigan, Con-
